

## DJ Mixer – Pioneer DDJ SX2

The 4-channel DDJ-SX2 controller builds on the success of its predecessor but inherits two must-have features from the top-flight DDJ-SZ: Performance Pads with multi-coloured cue point LEDs and an on-jog cue countdown. Plus it's Serato DJ DVS upgrade-ready and boasts improved jog wheel latency, making it the scratch DJ's ultimate companion.

The DDJ-SX2 gives you native manipulation of Serato Flip; a Serato DJ Pro Expansion Pack that gives you the power to record and re-play hot cue sequences on the fly.

### Physical

|                    |                   |
|--------------------|-------------------|
| Size of Unit       | 664 x 70 x 353mm  |
| Item Weight        | 5.8kg             |
| Cased weight       | 16kg              |
| Size of unit cased | 830 x 170 x 170mm |
| Quantity in case   | 1                 |

### Electrical

|                  |                |
|------------------|----------------|
| Rated Power      | 15w            |
| Input Power      | 240v @ 0.8a    |
| Power Connection | DC 12v adapter |

### Input / Outputs

|                 |                                                                     |
